Speaking of Hamwic

CLUB NEWS AND EVENTS - September 2013

September is here which means Hamwic Speakers meetings are starting up again soon on Tuesday, 10 September. There will be lots of exciting opportunities to polish your public speaking skills happening in the next few months, so no need to start pining for Summer just yet!

August Outdoor Meeting

Our regular meeting venue closed in August so on 13 August we took our meeting outside!

As the club walked around Southampton we enjoyed learning about the city's landmarks from the evening's toastmaster, Richard Blackman.
